Latest Reports from the Chief Points of the State-Much Scratching Done at the Polis-Uncertainty of the Result.

CINCINNATI, Oct. 14, 1873. The vote is reported light in the election to-day. The day has been fair, and the order good. Three tickets were in the field, with nineteen candidates in all, and out of these are made composition tickets. The indications are many that there has been much scratching. There are sixty-six wards and precincts in the city and county, and counting will be difficult and the returns slow. The city has been redistricted into wards since the last Gubernatorial election, which will make comparison by wards impossible, except on the basis of the vote for Secretary of State last

CLEVELAND, Oct. 14, 1873. The election in this city to-day passed off very quietly. A light vote was polled. There were five tickets in the field, and much scratching was done. The returns will be late. Apparently but little in-terest was taken in the election throughout this portion of the State. COLUMBUS, Oct. 14, 1873.

The returns are coming in slowly. Comparing with the vote of Secretary of State in 1872, the vote of forty-five townships and Akron, Youngs-town and Marietta complete, show democratic gains of 756.

Reported Democratic Majority for Nesmith.

PORTLAND, Oct. 14, 1873. Despatches from the various sections of Oregon report that the election for Congressman has passed off very quietly. Nesmith, the democratic candidate, is expected to have a majority of about 1,000 over his competitor. Nothing certain has yet been received.

NEWARK CHARTER ELECTION.

The Democrats Carry the Day-The Issues Local and Personal. NEWARK, N. J., Oct. 14, 1873.

The charter election in this city to-day passed off quietly, there being no excitement until late, when the returns began to come in. Nehemiah Perry, democrat, is probably elected by about five hundred majority over F. W. Ricord, republican. At midnight the returns from nine wards gave Perry over 800 majority, but a strong German ward would probably pull that down sev-eral hundred. Out of fitteen Afdermen the demo-crats elected eight, gaining four. The republicans gain one-the fith. Party lines were entirely dis-regarded, the issues being purely local and per-sonal. Ricord was known as the Sunday rum and lager candidate, and Perry the democratic law and order party man. There was no end of "scratch-ing." Republicans voted for Perry em masse, and Ricord carried quite a number of democrats and the Germans nearly solid. dred majority over F. W. Ricord, republican. 4,000 700 500 900 500 1,450

Of the hundreds of claims now pending against the city, the case mentioned below is only one of the many in which the Comptroller demonstrates his utter disregard for laws relative to paying honest debts due by the city, and sets up his superior judgment to that of our highest courts. A PROCLAMATION.

The approaching close of another year brings

with it the occasion for renewed thanksgiving and acknowledgment to the Almighty Ruler of the

universe for the unnumbered mercles which He has

bestowed upon us. Abundant harvests have been

among the rewards of industry. With local ex-

ceptions health has been among the blessings

enjoyed. Tranquillity at home and peace with

other nations have prevailed. Frugal industry is

regaining its merited recognition and its merited

rewards. Gradually, but, under the providence of

God, surely, as we trust, the nation is recovering

from the lingering results of a dreadful civil strife.

For these and all the other mercies vouchsafed it

becomes us, as a people, to return heartfelt and

grateful acknowledgments, and with our thanks-

giving we may unite prayers for the cessation of

WASHINGTON, Oct. 14, 1873.

The decrease in the epidemic noted for some day's past continues. The number of nationales reported in the city proper yesterday were insignificant, and but very few were reported on the outskirts. The territory over which the epidemic rages is so large that it is difficult to get reliable ports from all quarters the same day. A gradual dec vease is acknowledged by all parties.

The few prominent citizens down are all doing well. Colonel D. B. Martin and Arthur Newman have bee'u turned over to the Howard Association. Dr. Allen Was clear of the fever to-day and doing well. W. Rose is recovering. He has lost three children, two of them being grown. Drs. Ford, Gray and Clay are too unwell to practice. Wolff, the butcher, will probably die to-night. Miss Wolff, formerly of Cincinnati, is fast recovering. This lady when first taken, was so confident of dying, that she purchased her coffin in advance. She is sister to Charles Wolff, who died some days since. Mrs. Byland, who cast up black vomit for two or three days, is up and about. At least thirty black vomit cases in all have recovered.

Returns from the Various Countles-Republican Majorities Reported Generally-The Grangers Away Behind.

MADISON, Oct. 14, 1873. The election went off quietly. No decided returns as yet have been received, but the reports are that Madison city is far ahead on the republican ticket of last year's vote.

MCGREGOR, Oct. 14, 1873. The returns from points reached by telegraph in Clayton county are very slow in getting in. The official count has not yet been made, and nothing definite is known. The returns from Guttenburg, Clayton county, report a liberal majority of 5 votes being a republican gain of 16 over last year. Manona, in Clayton county, reports the State

ticket about 130 republican to 105 democratic. Clayton gives a liberal majority of 132. The official vote of the city is now being can-

Allomakee county gives a republican majority of 5 on the State ticket.

Cresco, lowa, gives a small republican majority. Returns from Lansing township give a majority of 95 for anti-monopoly—a gain of 66 over the vote for Governor last year. Other parts of the county have not been heard from, and full returns are not expected before to-morrow afternoon.

Republican majority 40. BLOOMFIELD, Iowa, Oct. 14, 1873.

There was a close vote in Davis county, which has probably gone republican.

ALLENTON, IOWA, Oct. 14, 1873. Warren township gave 136 votes, a republican majority of 65 and a gain of 15 over last year. Corydon township shows a republican loss of 15.

NEWTON, lowa, Oct. 14. Republican majority in the city for Governor, 146;
